GOLDEN DOOR

Η Golden Door δίνει ιδιαίτερη έμφαση στο σχεδιασμό και την παραγωγή ειδικών κατασκευών. Προσεγγίζει το σχεδιασμό τους μεμονωμένα ανάλογα με τις εκάστοτε ανάγκες. Μέσα από μια μεγάλη γκάμα προϊόντων και υλικών και φυσικά με την τεχνογνωσία του εξειδικευμένου προσωπικού της, προτείνει λύσεις πλήρως προσαρμοσμένες στο έργο και τις απαιτήσεις που έχουν τεθεί.

Πραγματοποιώντας έργα υψηλών απαιτήσεων τόσο στη Ελλάδα όσο και το εξωτερικό, πιστοποιεί την τεχνογνωσία και την ευελιξία των παραγωγικών της διαδικασιών.

Σε συνεργασία με τον αρχιτέκτονα παρέχει συμβουλευτικές υπηρεσίες κατά το σχεδιασμό του έργου, προτείνει λύσεις, σχεδιάζει και παράγει πόρτες υψηλών προδιαγραφών.

Golden Door places special emphasis on the design and production of special constructions. It approaches their design individually depending on the needs. Through a wide range of products and materials and of course with the expertise of its specialized personnel, it proposes solutions that are fully adapted to the project and the requirements that have been set.

The know-how and flexibility of our productive processes is certified by our completion of demanding projects in both Greece and abroad.

In collaboration with the architect, Golden Door provides consultancy services in the design of the project, proposes solutions, designs and manufactures high-quality doors.
